

## Graduation Dance Well Attended

A large crowd of students, parents and friends were in attendance at Melvin Hall Friday evening for the annual Didsbury high school graduation dance. The hall was beautifully decorated with yellow and mauve streamers and hundreds of balloons hung from the ceiling.

Dancing was the first item on the program, followed by the Grand March of high school students. Mr. E. T. Wiggins, principal, then introduced Gordon Robertson, the Student Union president.

From then until 1 a.m. it was strictly a case of "who did I promise this dance to!"

## FALLEN TIMBER

(From Our Own Correspondent)

We are sorry to hear that Mrs. H. Johnson is again a patient in the Didsbury hospital.

Mr. and Mrs. W. Pyten, Lynn and Katharine were Calgary visitors Saturday.

Mr. and Mrs. J. H. Cooper, Mr. and Mrs. Bob Moore and children, Mrs. O. Moore, Mrs. Lily McGaffin, Mr. and Mrs. Robert Moore, Gary and Monty, were luncheon guests at the home of Mr. and Mrs. J. A. Howton a week ago Sunday.

Mr. and Mrs. Johnny Howton and children, Mr. and Mrs. R. W. Moore and boys, and Mr. and Mrs. J. H. Cooper were Sunday evening visitors at the home of Mr. and Mrs. George Admusen recently.

Mrs. Barry McMullen has returned home after spending a visit at the home of Mr. and Mrs. R. Johnson in Didsbury.

Due to poor road conditions the Johnson sale had to be postponed. It is now to be held June 11 by the Fallen Timber school.

Little Lorraine Teynor is visiting at the home of Mr. and Mrs. H. Russell. Lester Teynor is staying with his aunt, Mrs. Zaida Raye.

Mrs. Ray Teynor, Marion and Judy Ann are spending a time at the home of Mr. and Mrs. E. Brun.

Mr. Stan Morrison is home again and feeling much better, although he is as yet unable to return to work.

Mrs. O. Moore of Calgary is visiting with her son and daughter-in-law, Mr. and Mrs. Bob Moore.

A dance was held at the school on Friday evening and everyone seemed to have a good time. A few articles of clothing were auctioned off for the Busby Buds.

The quilt that was to have been raffled May 28 is to be held over until the school picnic to enable the ladies to sell more tickets.

We have been informed that it will cost \$210 to put lights in the school, and the same for the church.

Mr. B. Money and Mr. H. Johnson were Didsbury visitors Monday.

Seismograph outfits are once again at work in the district.

We are sorry to hear that little Debbie Herbert has not been well.

**THE EDITOR GOES TO BAT !!!**

The usual saying is "peanuts and a ball game so together." Unfortunately for your editor it ended up to the tune of "broken ribs and a ball game so together."

After a short session with the small fry on our back lawn there was only one casualty (two broken ribs). Guess who?

Plans are now underway for next week's competition. Has anyone a checker board that is not in use?

Mr. and Mrs. V. Gillie and Doreen of Calgary were Friday visitors with Mrs. Vera Reiffenstein.

Mr. and Mrs. Dave Janzen and Mr. and Mrs. John Hurdler motored to Swift Current last week to visit with relatives.

Edwin Jackson Jr. pitched a good game of ball Sunday afternoon when the locals played the Waterside team at the latter's home grounds. The score was tied at 1-1 until the last half of the ninth inning when Waterside scored the winning run, making it 2-1.

A dance will be held at the hall on June 11, with the Merry-makers supplying the music.

Mr. and Mrs. W. Herbert motored to Red Deer on Sunday, May 23.

Mr. and Mrs. Stan McDonald visited at the home of Mr. and Mrs. W. Herbert recently.

Don't forget the Olds Legion Car Bingo (tonight) Wednesday, at 8 p.m. in the Olds Arena.

## GOLF NOTES

Here's a date to remember: Saturday, June 26th, "Next-to-New Sale" at Didsbury Armories, sponsored by Didsbury Ladies' Golf Club. All proceeds to go toward erection of a new clubhouse. Tea will be served. Everyone cordially invited.

This Thursday, June 3, is ladies' day at the local golf course. It's a Hidden Hole competition and games will be arranged between 2 and 2:30 p.m. Otherwise ladies are requested to make their own arrangements. Tea will be served at 4:30 p.m. Cards are to be turned in to Mrs. G. Thirring or Mrs. Red McKenzie by 9 p.m., June 3rd.

Place: Didsbury Golf Club  
Date: May 29th, 1954  
Time: 11:30 a.m.

They were chatting as women will do. Their strokes on this hole were but few.

They were hoping for par — their puts not too far.

When a field mouse came into view. Such shrieks and such hollers, unlaylike, yes!

The mouse dashed for a hole and he chose — you can guess.

The cup on the green was his choice — what a mess!

No par, no score, no fun! Golfing on that hole was done.

**Alberta Gas In Regina By '55**

N. E. Tanner of Calgary, president of Trans-Canada Pipeline Co., says the price of natural gas will be made as attractive as possible to encourage greatest possible consumption.

Mr. Tanner said the gas line will carry will be bought from Alberta producers and sold for consumption along the line on the zonal basis.

He predicted Alberta natural gas would be available in Regina by Nov. 1, 1955. The company hoped to start construction of the carrier in April, 1955 and complete it as far as Winnipeg by the following November.

Alberta's gas reserves are growing just as expected, that is, about a hundred times faster than the political critics of gas export predicted.

The conservation board, which all along has taken a very conservative attitude, has increased these figures of reserves: at the end of 1950, 4.5 trillion cubic feet; at the end of 1951, 6.8 trillion; at the end of 1952, 11.1 trillion; at the end of 1953, 13.4 trillion.

Wildcat wells are increasing the reserves from 2.3 to 3 trillion per year. Dr. G. W. Gower, a member of the conservation board, suggests that ultimately the total reserves will be 43 trillion cubic feet.

Following the formal inspection, the troops broke out to normal procedure, which was observed by the inspecting officer. An inspection was also made of the Q.M. stores, technical stores and orderly room procedure.

Following this, the colonel addressed the group and complimented them on their turnout and dress.

**HURLED FROM HAY RACK, BEISEKER MAN INJURED**

Following a fall from a hay rack several miles northeast of Beiseker, W. R. MacDonald, 57, was taken to General Hospital, Calgary, suffering from neck injuries Monday evening.

Mr. MacDonald was riding on a hay rack drawn by a tractor when the tractor uncoupled and dug into the ground, throwing the man to the ground.

Mr. F. Reiffenstein of Calgary was a weekend visitor with his family.

## WEATHERMAN JUST WON'T CO-OPERATE

The first glance out of the window this morning made a person take a quick glance at the calendar on the wall just to make sure that the reading was right.

June 1, that's what it said, and snow flakes the size of a 25-cent piece were really coming down in no small amount.

In our opinion it's fine to set records, but right now more people would be satisfied if the weather records were set in the opposite direction — sun, not snow!

No official figures are available to us at the moment but it is a well known fact that there is a lot of farmers in this area who have come no where near to seeding their full acreage.

As ever, the weatherman is a fellow who just won't listen to reason, but we sure hope he comes around to our way of thinking, but soon!

## Many Ways To Skin A Cat

The following was gleaned from the pages of the Saturday Evening Post:

A New Yorker is telling friends about an experience he had down East. Entering the outskirts of a small New England town, he wasn't driving recklessly, but he was clocking it a trifle above the posted speed limit. As he rounded a bend he saw half a dozen cars parked off the road, and a police officer signaling him to stop. When the officer approached him, pulling out his book, the New Yorker figured he was caught in a speed trap.

The officer reminded him politely about the speed limit and estimated accurately how much faster the motorist had been going. "In this town," the officer informed him gravely, "that could cost you \$50, or even a spell in jail."

Then, before the victim could get a word in, the officer's face lighted up and he asked, as if reciting a carefully memorized piece and getting a kick out of it, "Did I hear you say, that you were hurrying down to our local Red Cross headquarters to donate a pint of blood in the drive we are now conducting?" It didn't take the New Yorker drive any time to allow that was exactly what he had been doing.

"Well, now," the officer said approvingly, putting away his book and motioning toward the parked cars, "you just set in line behind those other patriotic folks, and I'll lead the way myself, so no one will bother you and you won't get lost."

The above is probably not the way donors will be apprehended for the clinic to be held in Didsbury on Monday, June 28, but with the past record in this district we feel that there will be a real turn-out to supply blood to fight polio.

## CROP REPORT

The Alberta Wheat Pool in its latest crop report states that 54 per cent of Alberta's wheat seeding had been completed by last Saturday but only 12 per cent of the oats and barley had been sown. A period of warm, sunny weather is now urgently needed, particularly in central and northern regions, to enable farmers to complete their seeding operations.

Seeding of wheat is nearing completion in the Lethbridge-Medicine Hat area and in the Coronation-Vermilion region it is well advanced. Throughout the remainder of central and northern Alberta it is mostly between one-half and one-quarter completed, although the area west of Red Deer has scarcely started. In the Peace River area from one-half

to one-quarter of the wheat has been sown.

In southern Alberta seeding of coarse grains is well along but in central and northern regions, where most of the oats and barley are sown, it is just beginning. The Wheat Pool now predicts that the wheat acreage will be down 7 per cent from last year, while oats will be up 3 per cent and barley 5 per cent.

JAMES CURRIE, Editor and Publisher

Three-year-old Jeanie, a poliomyelitis patient at the Alberta Red Cross Crippled Children's hospital, looks at a bottle of blood that could have saved her months of pain and crippling.

Whole blood, fractionated down into gamma globulin, is the best insurance found to date to combat poliomyelitis. About one pint of whole blood is required for one dose of gamma globulin. With this in mind, the Canadian Red Cross Society is attempting to collect an additional 50,000 bottles of blood this year through its Blood Transfusion Service with the blood processed at the Connaught Laboratories in Toronto.

A recent survey on gamma globulin by the Manitoba health department has recommended to the central policy committee at Ottawa that while "gamma globulin is not a certain preventative against polio, until something better comes along, its use should be continued and the classes of those given it should be broadened." Distribution of the gamma globulin is in the hands of the central committee with Red Cross responsibility ending when the blood has been collected.

**Notes From D.A.**

HUGH McPHAIL

The following from Messrs. Lobay and Guba, our provincial pest control officers, gives some unusual information:

**Re Warble Flies:** It is still not too late to treat cattle for warble grubs. Many livestock producers are now giving a third spraying operation, but those who had not treated at all can kill the grubs which are still found on the backs of animals. Every grub killed now will reduce the warble fly menace this summer.

The warble menace can extend their effects beyond livestock infestations. Last winter warble grubs have been squeezed from the skin of two Alberta children. One was a 4-year-old child from whose chest a maggot was removed last January. Apparently a number of other reddish lumps were also found on the child's body. This incident shows that flies can even lay their eggs on the hair or clothing of humans. After the eggs hatch, the grub burrows through the skin into the flesh. It is possible that as the insect moves through the body it may paralyze parts of such body.

This occurrence is not common, but such incidents could increase if warble fly populations are allowed to build up unchecked. Warble fly control should always be encouraged at all times.

**ARRANGEMENTS BEING MADE FOR GOLDEN JUBILEE**

Arrangements to set up committees to organize the observance of Alberta's Golden Jubilee were made at a recent meeting of the advisory committee to the Golden Jubilee organization.

Committees to be set up include management, buildings, and facilities, functions and competitions, and promotion. The advisory committee also considered proposals for the celebration made by interested citizens and organizations.

Hon. C. E. Gernhart, chairman of the cabinet committee responsible for planning the celebrations, provided clearer information on the purpose of the auditoriums to be built in Calgary and Edmonton by the Alberta government.

The auditoriums are to be considered as provincial gifts but would be provincial buildings, maintained and operated by the Alberta government.

**Silver Wedding Anniversary**

Mr. and Mrs. Otto Polkmann were pleasantly surprised on Sunday, May 23rd, when relatives and friends gathered at their home to honor them on their 25th wedding anniversary.

In the afternoon a large crowd of their relatives surprised them and in the evening another large crowd of friends and neighbors came in on them unexpectedly.

The evening's entertainment started out with community singing led by Mr. Jack Robertson, while Miss Shirley Renie accompanied on the organ. Upon request, Mr. Robertson sang a couple of comic songs which is always enjoyed by all. Mrs. August Krebs then entertained with one of her comic monologues which too was received amidst roars of laughter. Mrs. Herbert Goetjen then was requested to sing the solo "O Promise Me," which she sang for the honored couple twenty-five years ago at their wedding. Some reminiscing then took place, events that took place at the wedding of Mr. and Mrs. Polkmann and given by some of the guests who had attended the big day twenty-five years ago. Lunch was then served by several of the ladies of the gathering, the bride and groom cutting the beautiful wedding anniversary cake and being assisted by Mrs. John Jacobson of Sundre, one of the original guests of 25 years before. Mr. Chas. Topping, who acted as master of ceremonies for the occasion, very ably presented Mr. and Mrs. Polkmann with a purse of money from those present to commemorate this event in their lives and expressed the wish of all that they enjoy many more happy years together, to which the bride and groom of yesterday fittingly responded, thanking everyone for their thoughtfulness and kindness. The group then sang "For They Are Jolly Good Fellows," thus bringing the very happy evening to a close.

By REV. C. C. ARMSTRONG

Vacation time is nearly here, and  
the family plans are being prepared.  
Swimming suits are being considered  
as to both vintage and material and  
presumably, coverage. Trailers, sun-  
burn lotion, tents, fishing tackle and  
insect repellent are once more staple  
items on display. Father glances  
anxiously at the cheque book and  
thumbs through the road map. The  
number of over-night stops, at about  
\$10.00 for modern, or \$7.50 for "un-  
modern" has to be figured in. No  
matter how carefully things are cal-  
culated, the family arrive home just  
about the time the play bag is the  
one remaining source of cash.

What to do about the children at  
holiday season? Why not send them  
to one of our Presbytery-sponsored  
camps, either at Sylvan or Gull  
Lake. These camps provide an op-  
portunity to have a holiday that is  
beneficial both physically and spiri-  
tually. There is a good program and  
fine camping facilities.

The Red Deer Presbytery United  
Church camps are for youngsters and  
young people from 10 to 18 years of  
age. There is also a family camp  
July 2 to August 7th at Kasota  
Beach, five miles from Sylvan Lake.  
This latter camp will include  
all ages and is designed for the en-  
tire family.

I am indicating dates, and the  
ages for each camp, but anyone  
who wishes to go should secure a registra-  
tion form, giving full details. These  
are available through the Sunday  
School or from the group leader, or  
the minister.

Senior Boys' Camp at Kasota  
(Sylvan Lake) is from June 30 to  
July 7th. This is for boys twelve  
and over.

Intermediate girls at Kasota, July  
7th to 14th, age 14 and over.  
Intermediate girls (12 and over),  
Meridian Beach, Gull Lake, July 2nd  
to 12th.

Junior boys (10 to 11 years), at  
Meridian, July 12th to 19th.

Junior girls (10 to 11 years), at  
Meridian, July 19th to 26th.

Prospective campers are asked to  
register early, as only the first sixty  
applications will be accepted for  
each camp. This is particularly im-  
portant for the junior camps, and is  
a necessary safeguard against over-  
crowding at camp. The cost is  
about \$1.25 per camper per day, but  
full details are given on the registra-  
tion form, on cost, what to bring, etc.

Cremona W.I.  
May Meeting

The Cremona Women's Institute  
was held on May 19 at the home of  
Mrs. N. Eby, with nine regular mem-  
bers in attendance. Mrs. Hettinger  
enrolled as a new member.

Roll call was answered by a hobby.  
Mrs. Lloyd Bellamy was named  
as delegate to the constituency con-  
ference. Volunteers for bread and  
jelly roll contests were Mrs. Dinsey  
and Mrs. Reid.

Speaker for the day was Mrs. Eby,  
who chose for her topic, "Grand-  
mother's Day."

Two dollars and ten cents was col-  
lected for the flower fund and fees.

The next meeting will be held at  
the home of Mrs. Lloyd Bellamy on  
June 16.

"Nightgowns for  
FIRE-FIGHTERS"

WHEN-AWARE fire departments  
may soon be turned out in a  
new heat-resisting suit built on  
the general lines of the old-  
fashioned nightgown. Made of  
aluminum foil, this  
outfit gives the look-and-ladder  
ladder a lot more protection from  
extreme heat.

Canadian farmers have the  
same idea when they build their  
barns of aluminum sheet. Not  
only is aluminum fire-resistant  
but it also keeps barns cooler in  
summer because it reflects the  
heat of the sun; and in winter  
reflects back into the barn heat  
that would otherwise escape. In  
fact you might say that in the  
products of Canada's aluminum  
industry are reflected countless  
acts to better living — on the  
farm, in the city, in your own  
home. Aluminum Company of  
Canada, Ltd. (Alcan).

SERVICE  
BOARD  
NOTESW. K. Snyder

Spray That Stinkweed: Many  
fields of rye are infested with a lux-  
uriant growth of stinkweed at this  
time of year and this year is no ex-  
ception. Rye offers excellent pas-  
ture for livestock at this season but  
if it is polluted with stinkweed and  
milk cows are allowed to graze on it,  
the milk will probably be badly  
tainted with a very unpleasant taste  
and odor.

There is an easy, economical way  
to remedy this situation. Spray the  
field with 2-4-D. Not only is this  
plan recommended to improve the  
present pasture situation and pre-  
vent taint in the milk, but also to  
prevent these weeds from competing  
with the crop, making seed, and re-  
infesting the field. It is sound prac-  
tise which ever way you look at it.  
Make the dosage strong enough so  
as to be sure that you will kill all the  
stinkweed.

This weed, when it has reached  
the flowering stage, is sometimes a  
bit more difficult to kill than some  
people think. In my opinion, it  
would be wise to plan on using about  
five ounces of acid per acre. Or, in  
other words, five-eighths of a pint of  
fluid per acre if you are using a  
brand of chemical that has 64 oz.  
per gallon. The rye will not be hurt  
and 2-4-D is not poisonous to live-  
stock. You can expect that nothing  
but good will result from the ap-  
plication of 2-4-D to your rye field if  
it is infested with stinkweed.

## Annual Missionary Convention Held

The eighth annual convention of the Women's Society of World Service of the Northwest Canada Conference of the Evangelical United Brethren Church was held at First Church in Lipton, Sask., May 24 to 26. Forty-six delegates were present, coming from Calgary, Didsbury, Little Plume, Hanna, Medicine Hat, Warner and Three Hills in Alberta, and many points in Saskatchewan and Manitoba. Associate members were also present.

The guest speaker throughout the convention was Miss G. McDonald of Velardo, New Mexico. Being a teacher in Home Missions schools, she accentuated the influence of the Gospel through the missionary and educational contacts in the Espanola hospital and the McCurdy high school.

The success of the convention was largely due to the untiring effort of the president, Mrs. A. J. Grams of Didsbury and the efficiency of the secretary, Mrs. O. Yackel of Yorkton, Sask., together with the other members of the executive. The opening message and communion service was conducted by the conference superintendent, Rev. T. E. Jeske of Medicine Hat.

Among the reported accomplishments of the past year was the completion of \$600 toward a chapel in the West Indies and \$1700 toward the support of a new mission in Edmonton. The new project chosen for the coming year includes a gift of \$600 for promotional work in the Philippines, \$2000 for home missions, continuation of Korean relief and the conducting of Hillcrest Bible Institute summer camps and district rallies.

Mrs. A. J. Grams and Mrs. S. R. Sherman were elected as delegates to the Quadrennial convention at Kitchener, Ont.

Prayer support was pledged for the 15 missionaries from this conference who have gone out to Japan, the Philippines, India, Peru, Africa, West Indies and New Mexico.

The branch includes 561 members of the Women's Society of World Service and the average giving per member was \$13.75. The children's offerings were over \$500. The reports at the convention were presented by visual aid and in playlet form.

## REDEEMER LUTHERAN TO OBSERVE SOLEMN RITE

On Pentecost Sunday, June 6, Redeemer Lutheran Church will observe the solemn Rite of Confirmation. Fourteen young people will be received into communicant membership of the Lutheran Church. The service will begin at 10:30 a.m.

In the forenoon service, a public oral examination of the children will be held, followed by the Rite of Confirmation. In the afternoon service, beginning at 2:30 p.m., the newly confirmed, together with the other members of the congregation, will partake of Holy Communion. The following children will be received into church membership: Ruby Dageforde, Elizabeth Paas, Katherine Folkmann, Alfred Jons, Laverne Konechuh, Delbert Larson, Robert Nuss, Donald Meyer, Irwin Tobler, Doreen Reese, Dorothy Reinhardt, Gloria Schumaker, Joyce Schumaker and Ernest Wagner.

## CARD OF THANKS

I wish to thank all the neighbors who helped fight the fire which occurred at our farm on Wednesday, May 19.

### Little Items of Local Interest

Mrs. Emilie Pulkerth and Miss Pat Halliday will hold their piano recital on Friday, June 4 at 8 p.m. in Knox United Church. Proceeds of silver collection will go to the piano fund.

Dr. and Mrs. C. T. McNichol left Sunday for a ten-day motor trip to Spokane and other U.S. points.

Mr. and Mrs. Joe McDonald returned home Thursday last following a two weeks' vacation at the Pacific coast.

Miss George of Vancouver, B.C. has been visiting at the E. N. Boettger home and left last Friday evening for the west coast.

Talk about looking for a needle in a hay stack, or that there is gold in them thar hills, we are not quite sure, but Alex Shannon, while plowing in a 50-acre field turned up a ten cent piece bearing King Edward VII on the one side but being so badly scratched and worn on the other side the date was unreadable.

Mrs. Emma Wright accompanied Mr. and Mrs. Norman Mashiner and family of Calgary on a motor trip to Cranbrook, B.C. where they visited with Mr. and Mrs. Lou Mattice over the May 24th weekend.

Mr. Keith Cooper, managing director of Cooper Bros. Sawmills, was a Sunday supper guest with Mr. J. H. Cooper of Elkton.

Mrs. Ed Berscht accompanied Mr. and Mrs. Howard Berscht and Mrs. Ralph Corasas of Calgary on a recent motor trip to Nanton, where they visited Mr. and Mrs. Riley Moon.

Mr. and Mrs. Glenn Cooper and twin boys of Calgary were Sunday afternoon visitors at the home of Mr. J. H. Cooper of Elkton.

Services will be held in St. Cyprian's Anglican Church, Sunday, June 6th. Sunday school, 11 a.m. morning service, 11:45 a.m.

It was like "old home week" when Ben and Vera Robinson of Edmonton stopped off with Peter and Lydia Grange this past weekend. Ben, who is now manager of the 5th Street branch of the Royal bank in Edmonton, was accountant in Didsbury way back when our present manager, Alf Allen, was ledger keeper here. Vera, who was raised in Didsbury, was a school teacher in town prior to her marriage. Their daughter, Shirley, will graduate from the General Hospital, Edmonton, the latter part of this year.

Mr. Richard Law of Camrose was home last weekend and attended the high school graduation dance Friday evening.

Regular Lions Club meeting on Thursday, June 3, 6:45 p.m.

Mr. J. Riddoch of Calgary is visiting at present with his son and family, Mr. and Mrs. Jack Riddoch.

### Coming Events
